SOURCE Nachrichten fuer Aussenhandel.PLANTS PRODUCE PRECISION INSTRUMENTS

PLANT EMPLOYS 1,200 WORKERS -- Berlin Nachrichten fuer Aussenhandel, 3 Jun 50

The Kabel Plant in Chemnitz, a former Soviet corporation (SAG), has been turned over to the Association of People-Owned Enterprises for Radio and Telecommunications (RFT). The plant's monthly output, valued at 70,000 Deutsche marks in 1947, currently amounts to 900,000 Deutsche marks. The enterprise employs 1,200 workers (including office personnel).

In addition to precision measuring instruments, electrical auto supplies, regulators for dynamos, and electric toy trains, the plant will also produce parts for accounting machines, and a newly developed telegraph relay.

EXPORTS MEASURING AND CONTROL INSTRUMENTS -- Berlin Nachrichten fuer Aussenhandel, 12 Jul 50

The Quedlinburg Measuring Instruments Plant, formerly an SAG enterprise, produces at present measuring and control instruments for export to Belgium, Denmark, Poland, Czechoslovakia, and Hungary. The plant employs 800 workers. A new gasoline consumption gauge has been developed, mass production of which is to start shortly. A new air-conditioning control instrument has already been put into mass production.

STEPS UP RADIO RECEIVER PRODUCTION -- Berlin Nachrichten fuer Aussenhandel, 13 May 50

The people-owned Phonetica Plant in Berlin-Weissensee, which manufactures radios, radio tubes, gas meters, and other meters, has quadrupled its production within the last 5 months. The plant's main product is a small radio receiving set selling at 86 Deutsche marks; 10,000 of these sets will be produced in 1950.
